With the help of her magical powers, Medea manages to deceive the princess and Creon, offering false promises of reconciliation. She then kills Creon and his daughter, Glauce, by sending them poisoned gifts—often depicted as a robe and crown—leading to their agonizing deaths. The climax of the tragedy is Medea's decision to kill her own children to deprive Jason of any future heirs and to punish him for his betrayal. revenge against Jason, who abandons her for political gain. The play raises questions about the morality of revenge and whether justice can justify acts of violence. Medea's extreme measures challenge the audience's notions of morality and provoke reflection on the cycle of vengeance.

Otherness and Exile Medea's status as a foreigner in Greece makes her an outsider, which influences her sense of alienation and bitterness. The theme of exile underscores her vulnerability and the societal rejection she faces, fueling her desire for revenge.

Passion and Rationality The play explores the thin line between passionate emotion and rational decision-making. Medea's intense feelings threaten to overwhelm her moral judgment, illustrating how passion can lead to destructive consequences.

Characters Medea A formidable sorceress with extraordinary intelligence and emotional depth. Represents the archetype of the betrayed wife and the destructive potential of vengeance. Her character challenges traditional gender roles and societal expectations.

Jason The play's antagonist, a hero turned traitor. Motivated by ambition and political pragmatism, he abandons Medea to secure a royal marriage. His inability to understand Medea's depth of pain underscores his moral blindness.

Creon The king of Corinth, cautious and pragmatic. Orders Medea to leave the city, fearing her influence and potential for chaos. His tragic fate underscores the dangers of political authority and fear.

Her portrayal challenges traditional gender stereotypes, making her a revolutionary figure in Greek drama. The play also engages with themes of the outsider and exile, resonating with Greek audiences familiar with themes of colonization and cultural conflict.
